Parking over sidewalks – **A LOT** of Village residents; school kids; track/cross country students; moms with strollers; kids on bikes use the sidewalks in the Village, please **do not park over the sidewalks** or block the sidewalks with tree limbs, shrubs, or other items so that they can be used for what they are designed for. Water drought – The Village has not had to declare a water drought emergency for quite a while; however, it is always a worry for us. Temperatures are going to get higher here soon and with no rain in the forecast, we understand you do not want to lose your lawns; however, the Board would like for you to be advised that other Villages within Nebraska have declared emergencies due to the number of underground sprinklers and swimming pools that are being installed. Please ensure that your sprinklers are working properly and not over water your yards. An explanation of what could happen if the Village Board declares a Water Drought Emergency is in Chapter 2; Article 3 in the Malcolm Municipal Code Book.

Golf Carts – Just a friendly reminder and for the new residents in the Village, Chapter 5, Article 3, section 5-304 defines where, when, and who can operate golf carts, ATV's or any other off-highway vehicles.
